CONVERSATION PROGRAM

ASU GLOBAL LAUNCH
ARIZONA STATE UNIVERSITY

Thank you for your interest in the Conversation Partner Program at ASU's Global Launch (GL) Program. The Conversation Partner Program is designed to bring American ASU students and GL international students together to provide them the opportunity to get acquainted, practice English, and learn about each other's cultures (including native languages).

The matching process can sometimes take a while. As soon as we find a match for you, based on language preference and same gender, you will be contacted by email with the name and contact information of your new conversation partner. From there, *please initiate* contact with your partner via email or phone. Together you can determine the meeting place and time.

Tips for the <u>first</u> meeting:
1. Select a central meeting place on the ASU Tempe Campus, so you can easily find each other.
2. Come with a list of questions about your partner's country, culture and family.
3. Determine the next time you will meet and where.
