Open the doors to Italy: “The Beautiful Country”

Spring 2019 Session B
Ln # 17855 & 18499

This course is designed for beginner students with no previous knowledge of Italian but wish to attend a study abroad program in Italy.

Students will develop vocabulary to engage in simple, everyday conversations, thus enhancing and supporting their Italian experience. Having basic knowledge of the language and culture of Italy will make their studying abroad experience more meaningful and enjoyable.

This class will foster listening comprehension and conversational skills by using interactive media and will include the fundamental structures of the Italian language.
