

COVID-19 Response Protocol

Global Education Faculty, Staff, & Students

1. Do you live with a person with COVID-19?
2. Do you care for a person with COVID-19?
3. Have you been within 6 ft of a person with COVID-19 for a cumulative total of 15+ minutes over a 24-hr period or had direct contact with their mucus or saliva starting 2 days before they began feeling sick (or 2 days before their testing date if they had no symptoms)?

1. Are you experiencing fever, cough, or shortness of breath?
2. Are you experiencing chills, vomiting, sore throat, diarrhea, loss of smell or taste, or muscle pain?
3. Do you have a fever of 100.4 or higher?

*An individual is fully vaccinated if at least 14 days have passed since the completion of a 1 or 2 dose COVID-19 vaccination series. Exposed individuals without symptoms who are fully vaccinated do not need to quarantine but should self-monitor and mask for 14 days
