COVID-19 Disclosure
Domestic Global Learning Programs

Based on current information, your ASU Study Abroad Office (SAO) program (the “Program”) is expected to take place while the current COVID-19 pandemic remains ongoing. **We ask you to educate yourself regarding the risks associated with your Program location(s) so that you can make an informed decision about your participation in the Program and reduce the potential risks associated with your participation.**

In order to participate in the Program, you **must sign this form**, acknowledging the following:

1. I have reviewed the *Traveler Health & Safety Resources* in my online SAO program application.
2. I have reviewed the U.S. Centers for Disease Control and Prevention (CDC) [COVID-19 information](https://www.cdc.gov/coronavirus/2019-ncov/index.html).
3. I acknowledge that I am responsible for my personal health and safety. I will take the necessary steps to prepare myself and manage the risks of participating in the Program, including following the precautions and guidelines set forth in the resources identified above.
4. Per the [COVID-19 Behavioral Commitment](https://www.asu.edu/students/health/covid-behavioral-commitment.html) that I am required to sign, I am aware that I will be subject to safety precautions and protocols established by ASU (e.g., social distancing, face covering, etc.) during all Program activities and in spaces that ASU controls (e.g., Program housing, classroom facilities, etc.), and that these precautions and protocols may be more restrictive than those of the local authorities in the Program location(s). I understand that these rules are subject to change between the time I sign this document and the time the Program begins, and that I will receive more information about the specific precautions and protocols closer to the Program start date.
5. I acknowledge that required or optional Program activities may take place in settings ASU does not control, and in which different safety precautions and protocols may be in place. These may include the following:
   - Use of public transportation or other vehicles
   - Museum tours
   - Business or classroom site visits
   - Group meals in restaurants
   I understand I may contact my SAO Coordinator with any questions or concerns about such activities on this Program.
6. I understand that it is possible to contract COVID-19 even if I follow all of the safety precautions and guidelines required by ASU and recommended by the CDC and other federal, state and local government health authorities.
7. I understand that if I am exposed to COVID-19 or receive a positive test during the Program, I will be required to quarantine/self-isolate. I understand that ASU and its on-site partners will assist with my relocation to temporary housing if necessary.
8. I understand any unanticipated travel or lodging costs resulting from the COVID-19 pandemic will be my responsibility.
10. I understand that I will likely be sharing a room with another Program participant and/or traveling in the same vehicle with other participants. I may contact my SAO Coordinator for more details about these arrangements prior to confirming my participation in the Program.

11. I understand that my ability to travel independently may be restricted depending on the situation in the city/county/region in which my Program is running. This could include a restriction on my ability to leave the Program location.

12. I understand that if the situation in the Program location deteriorates, ASU may cancel the Program and I will be expected to leave the Program location immediately. If I choose to stay at the Program location despite ASU's recommendation that I come home, I understand that I am subject to the terms of the SAO Payment and Withdrawal Policies and that I assume all risks associated with my decision to stay.

I hereby certify that I have reviewed and understand the information provided above regarding the conditions and obligations associated with my participation in the Program.
