- _____ I acknowledge that recommendations provided by my academic advisor are intended to help guide my program and ASU course selection and **are not a guarantee that I will be able to enroll in specific recommended courses (even ASU iCourses)**. I must follow all program enrollment procedures and understand that I should share my final schedule through the My Study Abroad Classes GEO online form and with my Academic Advisor.
- _____ **Not all programmatic options apply to all locations or all department-specific programs** (i.e. students cannot enroll in all online or iCourses in Madrid or Paris; students participating on the Thunderbird School of Management Global Flex cannot enroll in all online or iCourses, etc). I am responsible for taking this into consideration when meeting with my academic advisor to discuss course options. I should consult the program page for more information on my academic/programmatic options.
